Cullowhee

Friends & Family Reunion

Cullowhee invites you to join us for our annual "Friends and Family" Reunion weekend and concert.

For the first time ever, we're planning to "take over" the Amicalola Lodge and bring back the magic of Cullowhee through songs, friendship, and the beauty of the mountains in the fall.

On Friday and Saturday we'll have different shows each night ensuring more chances to hear the songs you love. In addition we'll have daytime solo concerts at various locations.

And after the show, the late night jams will be just a few steps away from your room in the lodge.

The concert will be in the intimate 2250sf Oak Hall. We will be producing the sound to ensure perfection.
